Social Science and Policy Research Abstract Template
Submissions must not exceed 300 words (excluding title & authors). The document must not be password protected or saved as read only as this may result in your abstract failing to upload successfully. Use Calibri 11 point type only. Please structure your submission using the subheadings below. There are two options available for the Social Science and Policy Research category, select the one most appropriate for your work. If the abstract does not fit the headings, please put full abstract beneath introduction and we will remove the headings once submitted.

Disclosure of Interest Statement: ***See example below:***
The conference collaborators recognise the considerable contribution that industry partners make to professional and research activities. We also recognise the need for transparency of disclosure of potential conflicts of interest by acknowledging these relationships in publications and presentations.

Note: If accepted into the program you will be requested to include a disclosure of interest slide into your presentation or include such statements in your poster.
